THE DEBATE OVER ABORTION

As Catholics, the world creates positions that make us question our faith. One in particular is the debate over abortion and Proposition 1 that believes in the women's constitutional right to have one. The definition of abortion, according to the National Institutes of Health National Library of Medicine is as follows:

“—a procedure to end a pregnancy. It is done by a licensed healthcare professional. It can be done two different ways: Medication abortion or Procedural abortion.”

An abortion is the termination (killing) of human life in the womb. This procedure is proven to negatively impact the mother as well. Let us shed some truth on some of the effects of abortion, according to the Louisiana Department of Health:

“Pelvic Infection, Incomplete abortion, Blood clots in the uterus, Heavy bleeding, inability to have children in the future, risks of breast, ovarian and endometrial cancer, serious psychological effects including depression, grief, anxiety, lowered self-esteem, regret, attachment, flashbacks, and substance abuse.”

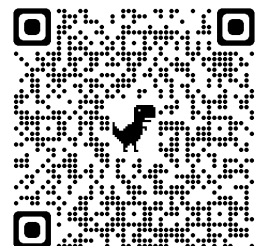

Unfortunately, these effects are overshadowed by a pro-choice (for abortion) agenda. This agenda is greatly pushed through celebrities, pop-culture references, news media, social media influencers, and more. It is important to be educated on what an abortion actually is and why this procedure physically and morally does more harm than good.

WHAT OUR CATHOLIC FAITH BELIEVES

Our faith strongly believes in the sanctity of all human life and Proposition 1 goes against that. Prop 1 would allow for more frequent abortions including late-term (when the child is more developed) and having the state pay for “the full cost of abortions provided through Medi-Cal.” (lao.ca.gov). When they use the word “state” they mean you as a tax-paying citizen.

Protect women and children by voting **NO on Proposition 1** on your California ballot this fall. The election date is November 8, 2022, from 7:00 a.m. to 8:00 p.m. Make sure you are registered to vote and if not, register by October 24, 2022.

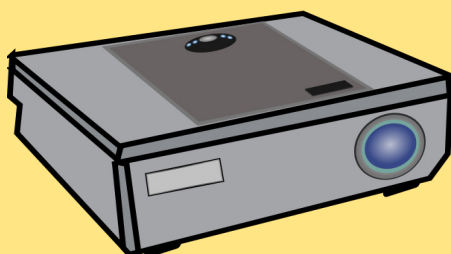

Vote-by-Mail ballots must arrive by November 1, 2022, and personally delivered ballots must be delivered by the close of polls on November 8, 2022. Scan the code for more voting information.
